Southland Team at the NZ Nationals- update

The club had 3 of our STEP 5 competitive girls selected for the Southland Team competing at the NZ Gymsports Nationals in Auckland during the 1st week of the holidays. In the preliminary round they all qualified which is a great achievement against stiff competition. We will update on final results once they are available.

Competition Update

The clubs final competition for the year will be Sunday 18th October in Balclutha. This is STEP 1-3 only and is a fun comp to finish the year off with. Queenstown usually has a high representation and gains some reputable results.

Congratulations to all girls who have competed, achieved and to those who will move up to the next STEP in 2016.

The club will hold an informative meeting during term 1 open to all competition parents covering off how it all works, judging and pathways.

Coach Update

Recent advertising has not been successful in identifying additional coaches. We are still continuing to source. If you are keen on volunteering your help for an hour here or there we are keen to hear from you.

Club Trophys

For those of you awarded club trophies last year could you please return them to Gio by October 30th latest as we need to prepare them for the prize giving.

General

After three years as Club President I am stepping down at the upcoming AGM due to personal and business commitments. As I have noted earlier on we are looking for parents to get involved with the club on the committee. If you want any information on what it entails please contact me via the club e-mail gtgymnastics@hotmail.co.nz to discuss further. We are also looking for a couple more volunteers to help our membership Secretary in managing the class lists and database.

As some old bugger once said.....**We make a living by what we do, but we make a life by what we give**

Club Communication

For all and any coaching queries or issues we ask that Gio be contacted via the club e-mail gtgymnastics@hotmail.co.nz to book a time to discuss.

Cheers
